GATHERING IN THE SPIRIT

Gathering Song ~ VU 82 ~

♪ **Refrain: A light is gleaming, spreading its arms throughout the night, living in the light. Come share its gladness, God's radiant love is burning bright, living in the light.**

So let us live in the brightness God has giv'n. And let us rise to see the dawn. We trust that God is here a sparkle and ablaze, warming all our days. Refrain

Territorial Acknowledgement

We gather on land that sustained bodies, hopes, and dreams long before the Kosapsum and Songees encountered others from far away. And so we recommit to a journey toward reconciliation, one that is not easy.

Opening Prayer

God of new appearances, everywhere we look we see you: in our neighbour, in every plant and creature, and in everything that allows life to flourish. And every time we look, we find something new. Accompany us in our search for you, as we uncover truth on our journey to healing and wholeness. As a community and with our diversity we give thanks for your eternal presence. Enliven our worship today. Amen.

The Lord's Prayer ~ paraphrase by Steve Garnaas-Holmes ~

O Infinite, Intimate One, Source of our being, whose presence is heaven, all Creation sings of you, "Holy!" May your Realm unfold among us; May our only story be the story of your grace, this world blossoming out of your delight. Give us the breath of life, one breath at a time.

**Accept our brokenness;
give us acceptance of others who are broken.
Lead us beyond our desires

For the world is within you;
