## Our Story:

Frozan's and Wermita's family of 10 – 4 adults and 6 children – fled Afghanistan to Pakistan after their humanitarian work put their lives at risk. The majority of the family now faces deportation from Pakistan back to Afghanistan, where Taliban forces are an imminent threat to their lives and the lives of their 13- and 14-year-old girls, who will be married off if captured. Previous sponsors brought two of the sisters and their parents to Victoria in 2022. Now, a new private sponsorship group is ready to welcome the two sisters and children who are in hiding in Pakistan.

*Every artwork you purchase helps bring this family together.*
